Subject: RE: Monthly Call with ADEQ
Date: Tuesday, May 20, 2014 1:31:00 PM

Special Notice Letters were issued to Chevron, Rohm and Haas, ExxonMobil, Tyco, Syngenta, Bayer CropScience, and Helena Chemical on December 31, 2013. Six of the parties have agreed to negotiate. An additional 5 PRPs were identified by ExxonMobil and Special Notice Letters to those additional parties are now in concurrence. Enforcement plans to mail the letters the week of May 26, 2014.

[Lydia/Lance](#),
Please provide an update for the Cedar Chemical site. Philip is not in the office today. Thanks CAS

Subject: Monthly Call with ADEQ

We are scheduled to have our monthly call with ADEQ this afternoon at 2:30 pm, in the West Conference Room.

Here is the draft agenda. Please let me know if there are other items/issues that we need to include.

Chief, Arkansas/Texas Section
Region 6, Superfund Division (6SF-RA)
